Hospitals & Institutions is a committee whose sole purpose is to carry the message to those confined in hospitals, jails, prisons and other facilities. We share our experience, strength and hope in harmony with the 5th Tradition and are not affiliated with these facilities in accordance with Traditions 6 and 9. These panels and meetings are listed on the H&I calendar and not listed in the meeting schedule.

The feeling of gratitude that you will receive from H&I work is instantaneous and overwhelming. This is the closest action you can find today that is like it was in the very beginning of A.A. when Bill and Bob first went into hospitals searching for drunken outcasts to give them the A.A. message of recovery.
